The Honorable Maria Cantwell
Chair, Senate Committee on Commerce, Science, and Transportation

The Honorable Roger Wicker
Ranking Member, Senate Committee on Commerce, Science, and Transportation

Re: Nomination of Gigi Sohn for Commissioner, Federal Communications Commission

Dear Chair Cantwell and Ranking Member Wicker:

I write to strongly support the nomination of Gigi Sohn to serve as Commissioner of the Federal Communications Commission (FCC) and urge the Senate Committee on Commerce, Science, and Transportation to move her nomination forward expeditiously.

Ms. Sohn is extraordinarily qualified for this position. Her record reflects a long and distinguished career in technology, media and telecommunications policy as a consumer advocate, public servant and academic. In addition, she is widely recognized for her commitment to principle over partisanship and is deeply respected by industry, civil society groups, Republicans and Democrats.

More, Ms. Sohn has always been a strong defender of free speech and an advocate of robust, substantive debate. Our First Amendment is nonpartisan and has been respected by Republican and Democratic FCC commissioners alike. Ms. Sohn has an extensive record of writing and speaking in defense of free speech and as FCC Commissioner would uphold free expression by those with different views.

The FCC's work has never been more important for preserving a strong economy and strengthening America's global leadership. Until Ms. Sohn is confirmed, the absence of a full Commission will continue to hold the agency back from addressing the nation's most pressing communications policy issues. Ms. Sohn is a pragmatic, data-driven problem solver who understands what it takes to drive the future of work, education and ongoing innovation. Based on more than two decades of knowing Ms. Sohn, I am confident she will ask the critical questions and truly listen to the answers, regardless of whether they are consistent with her personal priorities.

Ms. Sohn has the qualifications of an FCC nominee that every Senator should be pleased and proud to confirm. I encourage you to do so.

Sincerely,
