

THE U.S. MILITARY HAS ALREADY SPENT MILLIONS TRAINING YOUR BEST CANDIDATES.

We make it easy to match
military training with civilian jobs.

The U.S. military knows a thing or two about teaching technology skills, building character and creating leaders. Now, there's an easy way to match that military experience with civilian jobs.

It's what happens when Military.com joins forces with Monster.com — you get an award-winning technology that can cut the time it takes to find the right candidate by 40%. And, at a time when there are millions of open positions in the U.S., our unique approach — and deep pool of talent — is exactly what you need.

You'll even find great information to help you. Topics include "Benefits of Hiring Veterans" and "How to Effectively Interview Veterans."

Visit **USTechVets.org**. We take the mystery out of finding the right people for the right jobs.

U.S. TECH VETS GIVES YOU:

- Free benefit for CTA members
- Access to 1 million Veteran resumes — more than twice as many resumes as other Veteran job boards
- An online hiring portal that allows HR teams to post all open positions at once and automatically update them on a consistent basis
- The ability to easily and efficiently search, view, rate and compare resumes
- An unlimited number of user licenses valued at more than \$7,500 each*

Matching military experience with civilian jobs

**Find out how to turn military training into civilian jobs.
